

[Sprint Promises H1 2019 5G Device Launch, But Do You Actually Want It](#)

## Dual-mode 5G Cloud Core solution - a new core solution for 5G and earlier standards

### Solution highlights

- Single platform for EPC and 5GC functionalities.
- Cloud native/microservice architecture.
- Automated and simplified O&M.
- High user plane performance and scalability.
- Network exposure capabilities for programmability.
- Supporting a gradual and flexible evolution to 5G.
